

# Commercial Window Cleaning & Pressure Washing

ServiceMaster Clean  
Commercial  
Services

***Window Cleaners and Power Washers at your business, just one call away!***

Are you looking for a **reliable pressure washing** or **window cleaning** business in **North Central West Virginia**? ServiceMaster Clean guarantees quality workmanship, prompt and courteous services at reasonable prices.

***Our mission: To provide the most outstanding Window Cleaning and Power Washing service experience ever!***

While **power washing** may look easy to observe, only a seasoned professional will have the experience to do the most thorough job with minimal water **pressure** to protect your property. Trust a professional, insured contract to do the job right and on time.

We are very flexible with our schedules and will be there when we promise, guaranteed. We screen all our employees for your safety and *peace of mind*.

**High-rise** and **mid-rise** buildings **window cleaning** is dangerous work! Let the professionals at ServiceMaster Cleaning Specialists make your windows look like new with our safe, expedient, and cost-effective commercial **window cleaning** services. We have decades of combined **cleaning** experience, and the specialized equipment to give your building the best **cleaning** possible.
